

ANY PROBLEMS PLEASE CALL Yolande or Mark on 0871 2200355

These are the installation procedures:

1. Insert disc
2. Setup wizard will auto-run. If not, double-click on My Computer on your desktop. Double-click on your Cd-rom drive, then run Setup.exe
3. Follow the step-by-step wizard till Finish
4. Once installation is complete, run Lexon Offline Order Pad (LOOP). To do this, click Start > Programs > Lexon > LOOP
5. This screen will appear (with a different customer key):

6. Please ring Lexon Support on 0871 22 00 355 for the Unlock Key.
7. LOOP will run once the right key is entered.
8. Press F2 or click Settings
9. Click "Update"
10. Click "Internet" and tick RAS dialup
11. Type in your Lexon account number in "Account Name"
12. Fill in your cut-off time
13. Installation is complete
14. Happy ordering!
